

ACTION PAPER FOR THE AGM 2015

AGM/3-May-2015/Min 5	
<ol style="list-style-type: none"> 1. A Request was made for the list of all Cathedral properties to be published for the Parishioners. 2. On the election of council members, it was proposed that the election of council members be done at Ministry and fellowship level. Some ministries and fellowships suffer due to inadequate representation on the council 3. It was suggested that the ACP Sunday be had on the forth Sunday and not on the Third Sunday as has been the case 	<p>Management</p> <p>Council</p> <p>Council</p>
AGM/3-May-2015/Min 7	
<ol style="list-style-type: none"> 1. The meeting desired to know whether there was a strategic follow up of all the people who are being led to the Lord. 2. The meeting requested that the issue of mentoring for counselors should be to clearly spelt out and the communication of these mentorship programs should be streamlined. 3. It was proposed that we have a program to train missionaries in the areas in which mission and ministry is carried out so as to empower those in the area to keep the work of the Lord going strong 4. Building a primary school was a long term project. In the mean time, it was more prudent to think through which schools within the Cathedral jurisdiction can be engaged with as we seek to advance our education causes 5. The contract with the previous manager for the woodlot ended and other options are being explored on that matter. 6. Council should have more time to discuss the ministry reports and make strategic recommendations that AGM can then deliberate on 7. The ministries seem to be planning for far too much and they should be trimmed down to focus on fewer, more critical activities and ministry projects 8. With regards to ACP, it was agreed that the church should commend those who cleared up their obligation 9. Members were asked to demand for the receipts for all the finances they have sunk in the project so far. 	<p>Discipleship</p> <p>Council to report</p> <p>Mission and evangelism Committee</p> <p>Stewardship</p> <p>Council</p> <p>Council</p> <p>Ministry heads</p> <p>ACP</p> <p>All</p>
