THE PROVOST'S MESSAGE!

“BE THE SALT AND THE LIGHT OF THE WORLD! (MATTHEW 5:13-20).”

Jesus used the concepts of **salt and light** at different times to refer to the role of His followers in the world. Salt had two purposes in the Middle East of the first century. Because of the lack of refrigeration, salt was used to preserve food, especially meat, which would quickly spoil in the desert environment. **Believers in Christ are preservatives to the world**, preserving it from the evil inherent in the society of ungodly men whose unredeemed natures are corrupted by sin (Psalm 14:3; Romans 8:8)

Second, salt was used then, as now, as a **flavor enhancer**. In the same way that salt enhances the flavor of the food, it seasons the followers of Christ to stand out as those who “enhance” the flavor of life in this world. **Christians, living under the guidance of the Holy Spirit and in obedience to Christ, will influence the world for good**, as salt has a positive influence on the taste of the food it seasons. Where there is strife, we are to be peacemakers; where there is sorrow, we are to be the ministers of Christ, binding up wounds, and where there is hatred, we are to exemplify the love of God in Christ, returning good for evil as written in (Luke 6:35).

In the analogy of **light to the world**, the **good works of Christ's followers** are to shine for all to see. The presence of Christians in the world must be like a light in the darkness, not only in the sense that the truth of God's Word brings light to the darkened hearts of sinful man (John 1:1-10), but also in the sense that our good deeds must be evident for all to see as we consider the principles in the beatitudes in Matthew 5:1-13.

The passage clearly states that the difference between the Christian and the world must be preserved; therefore, any choice on our part that blurs the distinction between us and the rest of the world is a step in the wrong direction. This can happen either through a choice to accept the ways of the world for the sake of comfort or convenience or to contravene the law of obedience to Christ. Mark 9:50 suggests that **saltiness can be lost specifically through a lack of peace with one another; this follows from the command to “have salt in yourselves, and be at peace with each other.”** And in Luke 14:34-35 it is in the context of obedient discipleship to Jesus Christ by taking up the cross to follow Christ whole heartedly.

It seems, then, that **the role of the Christian as salt and light in the world may be hindered or prevented through any choice to compromise** or settle for that which is more convenient or comfortable, rather than that which is truly best and pleasing to the Lord. The status of salt and light is something that follows naturally from the Christian's humble obedience to the commandments of Christ. It is when we depart from the Spirit-led lifestyle of genuine discipleship that the distinctions between ourselves and the rest of the world become blurred and our testimony is hindered. Only by remaining focused on Christ and being obedient to Him can we expect to remain salt and light in the world.

May God bless you.

The Very Reverend Canon Dr. Rebecca Nyegenye,
Provost.
