At a wedding party, the wine run out and Jesus miraculously provided more wine. The wine that Jesus provided was much better than the wine the host had

provided and it was abundant! (There was a lot of it!) Jesus' disciples saw what happened and believed in Jesus as God's

Son. Jesus revealed his glory at the wedding by turning water into wine and his disciples put their trust in him.

This miracle (sign) proves that Jesus is the Son of God. (Ordinary people do not turn water into a lot of wine without doing anything to it). Jesus is the Son of God in whom we should trust, just like the disciples did.

And just like Jesus provided at that wedding feast, Jesus will provide abundantly at the wedding feast in heaven for those who have trusted in him. He has prepared an even better wedding feast for those who believe – those who trust him to save them and give them eternal life. The Bible tells us that one day Jesus will return to bring all those who have trusted in him together in heaven. Have you trusted in him? Will you be there at that feast/party?
