Reference: 2Kings 2:19-25, 4:38-44, 6:1-7

**Point:** God graciously helps those who trust the rescuer he has chosen and judges those who reject him

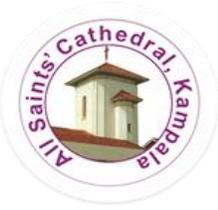

After Elijah was taken to heaven, Elisha succeeded him. Different people came to Elisha with different problems and Elisha helped them in miraculous ways - proving that he was the man God had chosen to help his people at that time.

Elisha made water safe to use with salt, he made poisoned food safe to eat using flour, he fed 100 people with food that can only feed a few people and he made an axe head float. In all these things, God was working through Elisha to help his people. However, when some youth disrespected Elisha, they were judged by being killed by bears.

### Memory verse: Psalm 121:1-2

I lift up my eyes to the hills - where does my help come from? My help comes from the Lord, the maker of heaven and earth. (NIV)

After Elijah was taken to heaven, Elisha succeeded him. Different people in Israel came to Elisha with different problems and Elisha helped them in miraculous ways; proving that he was the man God had chosen to help his people at that time.

Elisha healed water with salt, made stew safe to eat with some flour, fed a hundred people with so little food, made an axe head float, and got bears to attack disrespectful youth. In each of these miracles, except the last one, God was helping his people through Elisha – enabling him to perform miracles. Elisha's miracles proved that he was the man God had chosen to help his people at that time.

The people who came to Elisha respected him; they called him, 'our lord' (2:19), 'man of God' (4:40, 42), 'my lord' (6:5), and he helped them. However, some youth disrespected Elisha. By doing this, they were rejecting him and there were serious consequences - they were attacked by bears.

God chose Elisha (the rescuer) to rescue his people at the time, and God graciously helped those who trusted him while he judged those who rejected him, like the youth who were attacked by bears.

Elisha's ministry closely resembles the work of Jesus. Elisha was the man God had chosen to help and save his people at a difficult time in Israel's history; and

Jesus is the man that God has appointed to help and save his people for all time.

Just as Elisha's miracles prove that he was the man chosen by God at the time, Jesus' miracles prove his identity as the Son of God, God's chosen king –the Messiah/Christ.

Elisha was rejected by some of the people and those who rejected him were judged. In the same way, today many people reject Jesus. One day Jesus will return to judge those who have not trusted in him.

Elisha helped people with different problems at a point in history. While on earth, Jesus also helped many people with all kinds of problems but he ultimately came to help the world through his death and resurrection. Jesus is the rescuer God has chosen for all time – he is our rescuer today.

**Think:** Are you trusting Jesus as your rescuer? What is going to happen to those who reject him?

How did Elisha prove that he was a man of God?  
Match the problems people had to Elisha's miraculous solutions.

A town's water supply was bad (2:19)

Some prophets had eaten poisoned stew (4:38-40)

100 men were hungry (4:42-43)

A borrowed axe head fell in the river (6:5)

Elisha put flour in the pot (4:41)

Elisha served them 20 loaves and they had enough (4:44)

Elisha threw salt in the water (2:20-22)

Elisha threw a stick in the water so it floated (6:6-7)

### Memory verse: Psalm 121:1-2
