**Lesson:** THE KING IS PROTECTED

**Reference:** Matthew 2:13-23

**Point:** God's plan for Jesus to be the king cannot be changed by anyone, ever.

When the Magi left and returned to their country, Herod made arrangements to kill baby Jesus. An Angel warned Joseph in a dream about this danger and Joseph escaped with his family to Egypt. After Herod died, an angel told Joseph to return with his family to Israel. Joseph returned with his family and they went to live in Nazareth.

God guided Joseph to make sure that Jesus was protected from King Herod. Everywhere they went fits with the plan God made many years before.

God's plan for Jesus to be the king cannot be changed by anyone, ever. Everything that was said about the Messiah/ the Christ came true. All the way, God was in control and is always in control. Therefore, we can trust God.

No one can stop Jesus from being the king of the whole world. God is in charge and he has said that Jesus is the king. In some places and situations, it may not look like Jesus is king, but one day, when Jesus returns, it will be clear that He is king. *Is He your king? Do you let Jesus be king/rule in your life?*

Happy New Year 2021!!

### **First Read the full passage from Matthew 2:13-23**

When the Magi left and returned to their country, Herod made arrangements to search for the baby, Jesus, and kill him. An Angel warned Joseph in a dream about this danger and Joseph escaped with his family to Egypt. Herod still searched for the baby and ended up killing baby boys who were two years and below. After Herod died, an angel told Joseph to return with his family to Israel. Joseph returned with his family and they went to live in Nazareth.

God guided Joseph to make sure that Jesus was protected from King Herod. Everywhere they went fits with the plan God made many years before. God's plan for Jesus to be the king cannot be changed by anyone, ever. God made sure his plan works out. He guided Joseph, through an angel, so that baby Jesus was safe in Egypt, but also that he grew up in Nazareth. Everything that was said about the Messiah/ the Christ came true. This is not by chance; it happened because God made sure it happens.

All the way, God was in control and is always in control. Christmas shows us that God is in control of all human history. This is exciting news because it means we can trust God with our lives, our futures and different situations.

It was always God's plan to send Jesus to rescue people from their sins (1Peter 1:20). In The Old Testament we see signs along the way that point forward to Jesus, the son of Abraham, the son of

David; who would come and be king forever. In Matthew chapter 1 and 2 there are a number of these signs to prove that Jesus is the promised King. God planned it all and made sure it happened according to his plan and timing. Jesus was born king and will always be king – nothing can change that. No one can stop Jesus from being the king of the whole world. God is in charge and he has said that Jesus is the king.

Jesus is king over the whole world; over all people, our homes, churches, schools, governments, countries, hospitals, different situations and people in all sorts of places. In some places and situations, it may not look like Jesus is king, but one day, when Jesus returns, it will be clear that He is king. *Is Jesus your king? Do you let Jesus be king/rule in your life?*
