**Lesson:** THE DREAM  
**Reference:** Daniel 2:1-49

**Point:** Through Jesus, God will create an everlasting kingdom far greater and more powerful than any human kingdom.

The king of Babylon, Nebuchadnezzar, could not sleep because he had a strange dream. He asked the wise men in his kingdom tell him what the dream was and what it meant, but no one could. The king ordered all the wise men to be killed. Daniel and his friends prayed and God helped Daniel know and interpret the dream. It was a dream about a big statue made of different materials. The dream meant that human kingdoms would not stay forever - including Nebuchadnezzar's kingdom. However, there would come a kingdom set up by God and it would stay for ever. Jesus is the king of that kingdom.

**Memory verse: Acts 5:29a**

We must obey God rather than human beings. (NIV)

**Lesson:** THE DREAM

**Reference:** Daniel 2:1-49

**Point:** Through Jesus, God will create an everlasting kingdom far greater and more powerful than any human kingdom.

**First Read the full story from Daniel 2:1-49**

The king of Babylon, Nebuchadnezzar, could not sleep because he had a strange dream. He asked the wise men in his kingdom tell him what the dream was and what it meant, but no one could. The king ordered all the wise men to be killed. Daniel and his friends prayed and God helped Daniel know and interpret the dream. It was a dream about a big statue made of different materials. The dream meant that human kingdoms would not stay forever - including Nebuchadnezzar's kingdom. However, there would come a kingdom set up by God and it would stay forever. Jesus is the king of that kingdom.

In the dream, there was a rock which was very different from the parts of the statue. It was the ruler that God had chosen to rule his new kingdom. He would destroy all other human kingdoms and rule God's kingdom forever. We understand that this person (the rock) is Jesus - he is God's special chosen king.

Nebuchadnezzar, even as the most powerful man in the world at that time, needed to learn that there was a king greater than him who he needed to serve. He needed to know who the God of the Bible is and worship him as the one true God.

Even today, human rulers come and go; in the end, it's only God's kingdom, established through Jesus,

that will endure forever. One day everyone will have to bow and acknowledge that the Lord alone is God. Through Jesus, God is creating an everlasting kingdom far greater and more powerful than any human kingdom.

God's king and his kingdom are far greater than any earthly ruler or nation. When we worship God and his Son, Jesus, we are on the winning side. We are part of a special kingdom that can never be destroyed.
