

TODAY'S SUNDAY SERMON AT ALL SAINTS CHURCH-NAKASERO AS DELIVERED BY REV. CAPT. FLORENCE ALIGANYIRA

1. The theme was ;"Promoting the fear of God in a family" based on Deut 6:4-9 , Acts 10: 1-8
2. Every child deserves to be taught Godly principles and values,
3. Parents must play a role in teaching their children about God, the Bible and should set good examples,
4. We are what we are because of the good things we were taught in Sunday school and in our places of worship when we were young but we now have no time to teach our children the same,
5. Most parents today spend a lot of time working , having social activities and have no time to attend to their children, we have left our children in the care of strangers and house managers which is very risky,
6. As parents we must be involved in every stage of our children's lives,
7. Every child in every community in the world should be able to have someone to tell them about God ,
8. We must Disciple our children in God- Intentional discipling of children very critical,
9. Spiritual laziness is affecting the churches, families. Parents have abandoned their duties , they worship idols , spend time in shrines , devil worship ,consume alcohol , smoke before their children, hence causing confusion to their children on who is supreme God or Idols,
10. Parents miss out on the important things in their children growth which affects them in future,
11. We must teach our children morals and values based in God's word,
12. We can change our nation and the entire world if we invested time in teaching our children the right way.
