Lesson: PRAYER FOR KINGDOM LIVING

Reference: Matthew 7:7-12

Point: Pray that you might become more like Jesus, your king

Jesus taught his disciples how people in his kingdom (Christians) live. Some of the things Jesus told his disciples to do were difficult.

So Jesus told his disciples to ask God for help to obey his teaching. God would answer because He gives good gifts to his children.

Memory verse: Matthew 5:3
Blessed are the poor in spirit, for theirs is the kingdom of heaven.

After telling his followers how to live in the kingdom, Jesus told them to pray that they might be able to obey his teaching, knowing their heavenly Father will help them.

Jesus told his disciples to ask, seek and knock; and they would be given, they would find and the door would be opened to them. He told his disciples that God knows how to give good gifts to those who ask him. A good thing they could ask is for God to help them obey Jesus' teaching. To help them obey because what Jesus was teaching was difficult to obey and practice.

We, as Jesus' followers, can ask (pray) for the same thing too.

Sometimes we ask God for things and we think they are good, but according to God, they are not good gifts. So then we do not receive - those prayers are not answered. But when we ask what is good according to God, then we receive. For example, asking God to help us be all the things Jesus was teaching on the mountain side is good, and when we ask that, we will receive. We can ask God to help us obey Jesus' teaching and be sure that he will answer and give us that good gift.

When we ask God to help us obey Jesus' teaching, then we are able to do to others what we would have them do to us in everything.

So, as children of the kingdom (Christians), we should pray that we might be more like Jesus our king.
