Lesson: THE GOD WHO SPEAKS

Reference: Psalm 19:1-14

Point: Praise God our glorious creator and live according to his word

God's word tells us about two ways God speaks to us; through his creation and through his word. We can know something about God through creation; the sky, the stars, the sun - we know that God created them and many wonderful things in the world. But we can even know more about God from his word. God's word tells us about God, the world he has made, God's plan, how we should live in his world and how to be his friends.

We should praise God for he is the creator, and live according to his word.

Memory verse: Psalm 19:1

The heavens declare the glory of God; the skies proclaim the work of his hands.

Judges (6-7 years). Date: _____

Lesson: THE GOD WHO SPEAKS

Reference: Psalm 19:1-14

Point: Praise God our glorious creator and live according to his word

Find the full Psalm in Psalm 19:1-14

The Psalm we are looking at today tells about two ways God speaks to us, or has made himself known; in creation and through his word.

Verses 1 to 6 tell us about God through creation. Every time we look up at the sky, it tells us that it is made by a great creator. Every day and night, this is what the sky says to everyone on earth in a language we can all understand. The sun rises each day, going from one side of the earth and setting on the other side. Its light and heat touch and warm the world. Everyone on earth can see the sun.

Creation reveals God's existence and glory to all people. When we understand that God is the great and powerful creator of everything, we should respond like creation, with praise.

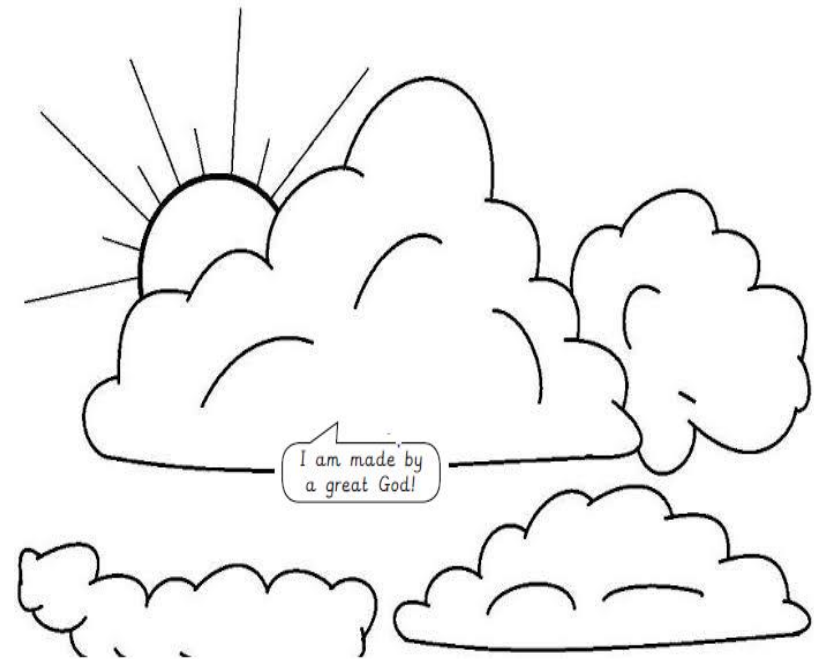

Verses 7-10 tell us about God through his word. God's word tells us even more clearly how God wants us to live. God's word is perfect, trust worthy, right, radiant, sure, righteous and very precious. It gives people joy and helps people live wisely.

In verse 11-14 we see that God's word tells (warns) us about our sin and shows us how we can be forgiven.

Creation reveals God's existence and glory to all people, but we can only know how God wants us to live through his precious word.

We should praise God for creating everything, ask him to help us read and live according to his word, and trust in him for forgiveness when we fall short.

Think: *Do you read God's word? What does God say to you from his word?*

Memory verse: Psalm 19:1

The heavens declare the glory of God; the
skies proclaim the work of his hands.
