God's word talks about two ways to live; The way of the righteous (people who trust God through Jesus) and the way of the wicked (people who do not trust God). The righteous read and obey God's word, while the wicked do evil and listen to each other's advice.

God watches over the righteous and they will be safe on judgement day. The wicked are not safe and will be destroyed on judgment day. Which way do you choose?

The Psalm talks about two lifestyles or two ways to live. The way of the righteous (a person who trusts God) and the way of the wicked (a person who does not trust God).

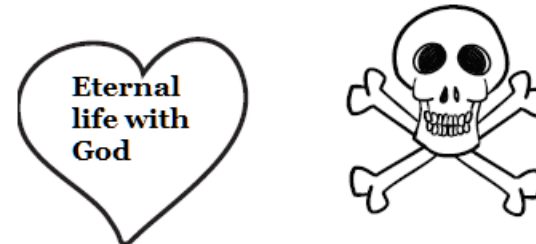

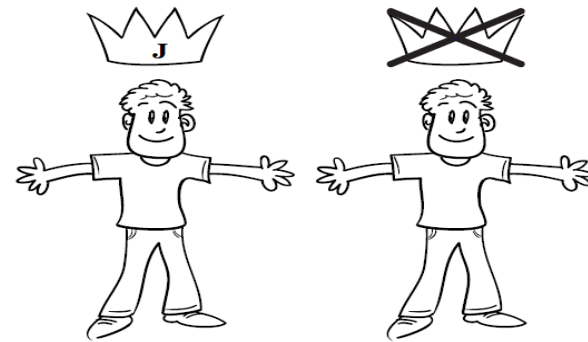

The way of the righteous; is the way of a person in a right relationship with God and who lives under God's rule by faith. This person does not listen to the wicked person's advice, or join in what they are doing. They love to read God's word, think about it and do what it says. This person is firm because he/she is like a tree planted by a stream of water and so never dries up. Reading God's word waters this person. He or she bears good fruit in all season. God watches over their way. So the righteous person will be safe on judgment day. For all these reasons, a righteous person is blessed.

The way of the wicked is the way of a person who rejects the rule of God in their lives. The wicked person does not listen to God's word, but to other wicked people. This person is not firm. This person does not last because they are like chaff (dust) that the wind easily blows away. The wicked person will be judged by God. Their way leads to destruction in the end.

There are only two ways to live and two destinations. Which way do you want to live?

Jesus is the only person who truly lived a perfectly righteous life. Because of what Jesus did, those who trust in him can be called righteous and be helped to live a righteous life.

Living a righteous life by faith in Jesus is God's way to live and the best way to live. Will you choose it?

Memory verse: Psalm 1:6
